

INTALERE®
ELEVATING THE HEALTH OF HEALTHCARE

Operational Continuity & Emergency Management Program

When disaster strikes, supply chain continuity is key to resilience. Let Intalere help you prepare. In all stages of emergency operations—mitigation, preparedness, response and recovery— Intalere is available to provide you with the support and resources you need.

All components of this program are offered at no charge to members, with the exception of the Intalere Survey and Accreditation Readiness Consulting Solution. Operational continuity and emergency preparedness are among the many benefits of doing business with us.

Our Resources

- **Preparedness Resources & Education** – The [Intalere Member Resources](#) website provides access to a library of emergency preparedness resources, including checklists, guides, toolkits and more. These resources are updated on a continual basis, providing the most up-to-date information possible, including resources specific to epidemics, i.e. pandemic preparedness.
- **Direct Emergency Support** – Intalere has experience with providing significant assistance in disaster situations. We are available to assist in securing critically needed supplies during or after an emergency event.
- **Emergency Management Contract Portfolio** – Through our supplier partners, Intalere offers essential products and services to help you prepare for and recover from emergency incidents. The Emergency Management contract portfolio features products and services commonly used in emergencies.
- **Accreditation Readiness** – The Intalere Survey and Accreditation Readiness Consulting solution provides best practices and assistance to help you meet the Emergency Preparedness Condition of Participation as set forth by the Centers for Medicare and Medicaid Services (CMS).
